Message from the Chairperson

Dear parents, students, and all well-wishers of MMC, Marsyangdi Multiple Campus has faced lots of ups and downs since its establishment in 2047 B.S. as the first community campus of Lamjung district. At this moment, I would like to acknowledge to all the founders of the campus who opened the door of higher education in the district and make it a hub of higher education among the students mostly from economically and socially backward community. The campus not only imparts textual knowledge to the students, but also various life skills which can make our students success in their life. As a result, a large number of our graduates perform outstanding job inside the country and abroad. Moreover, more than 1000 well-wishers have received the life member of MMC and dozens of government and non-government organization national and international organizations have supported for its infrastructure and academic excellence. I believe MMC can make your bright future and can be a good destination for your higher education. Finally, I expect the regular support of the local communities, organizations and parents.

Thank you !

Hari Prasad Baral
Chairperson, CMC

Message from the Campus Chief

It gives me an immense pleasure to welcome you to Marsyangdi Multiple Campus (MMC), the first and leading community campus of Lamjung district. With the slogan "Quality education is our destination", MMC has been providing quality education to the students with affordable fee. Now, the campus has developed its infrastructure and academic environment to face the healthy competition among the higher education institutions and to prove it as the leading institution in the region. With the public support and the trust of the parents, the campus has been able to be a common roof of more than 1000 students from +2 level to Master's degree. Gradually, the campus is planning to introduce new courses in Bachelor's degree and Master's degree. Along with the infrastructure development and academic excellence, we are in the process of awarding with Quality Assurance and Accreditation (QAA) certificate, and I believe the awarding day is not far.

I would like to extend my sincere gratitude to all the parents, CMC delegates and the well-wishers for their contribution to reform this campus in this form and believe that MMC can be the best destination for your higher education.

Thank You !

Hari Babu Thapa
Campus Chief

About MMC

Marsyangdi Multiple Campus (MMC) stands tall in the history of higher education of the Lamjung district not only as the oldest campus but also in terms of number of student enrollment, diversity of programs offered, its achievement, contribution and significance in the development and its strong linkage and association with other social and communal organizations. MMC, established in 1991 (2047 B.S.) under community management and affiliated to Tribhuvan University (TU), the largest university of the country, is recognized as one of the campuses of national and regional importance. The campus was established with a thrust to fulfill the need of higher education of the local students with a primary objective of providing quality education in low cost. Today, this campus has been standardized as a centre of attraction to diversified students population ranging from backward and ethnic communities. This campus has been providing educational services not only to the students of Lamjung but also to students of adjoining districts like, Manang, Kaski, Gorkha, and Tanahun.

In course of three decade history, MMC has made commendable achievement in enhancing academic standard and infrastructural management. As the affiliated campus of TU, MMC began the Intermediate level class of Humanities and Social Science, and Management from 2047 B.S. in the morning shift. Gradually, the campus introduced the Bachelor level programs of Humanities and Social Science and Management in 2050 B.S., One Year B.Ed. in 2060, Three Year B.Ed. in 2061, and Masters of Arts and Masters of Education in 2067 B.S. Recently, the dean office of management, TU has completed the feasibility study for Masters of Business Studies (MBS) programme and we believe that students will get enrollment in MBS from this academic year. Being the affiliated community campus of TU, MMC follows the curriculum and academic programs of TU and is governed and managed according to the rules, regulations and policies of the campus constitution/ statute along with the active cooperation of the community.

Our Vision

To be a sustainable higher educational institution of western Nepal with its sound academic programs, Marsyangdi Multiple Campus will be widely recognized for the quality education and research programs.

Our Mission

The Mission of Marsyangdi Multiple Campus is to provide access to holistic higher education for the people of the western region in the country with emphasis to 'Janajati', Dalit, women and other marginalized groups. It is dedicated to produce highly efficient human resources and guided from these defined missions:

- to produce skilled manpower
- to deliver quality education services to societies at affordable cost
- to preserve local culture and tradition
- to introduce means for self-sustainability
- to establish as a research center in the district
- to serve the students by teaching them problem solving leadership and team work skills.

Our Goals

In order to achieve the vision and mission, the campus will strive to achieve the following specific strategic goals: program extension in line with the educational demands of nation

- improve internal efficiency and effectiveness on diverse concern
- continue efforts toward quality education and infrastructure development
- qualified for accreditation from the UGC and maintain the accreditation status
- to provide market need education
- develop financial sustainability of the organization
- develop as a socially responsible educational institution, maintain good relationship with the community and stakeholders

Prominent Features of the Campus

Guest Lectures and Online Learning

MMC invites some experienced personalities for guest lecture either in face to face mode or through online resources. Likewise, it offers online classes to the master's level students, especially for those who do not have the access of regular face to face class due to their geographical distance. Moreover, students have interaction with the scholars and employers such as bank managers, school principals, and interpreters, and broaden the horizon of their knowledge.

Instructional Pedagogy

Apart from the preparation of instructional plan like Operational Calendar, Faculty-wise Operational Plan, Annual Plan, and Daily Lesson Plan, the following pedagogical procedures have been applied at MMC.

- Lectures
- Seminar/ Presentation
- Workshop/ Analysis
- Paper writing/presentation
- Case analysis
- Internship
- Field/project work
- Home assignment
- Thesis/ research writing
- Observation/ Discussion

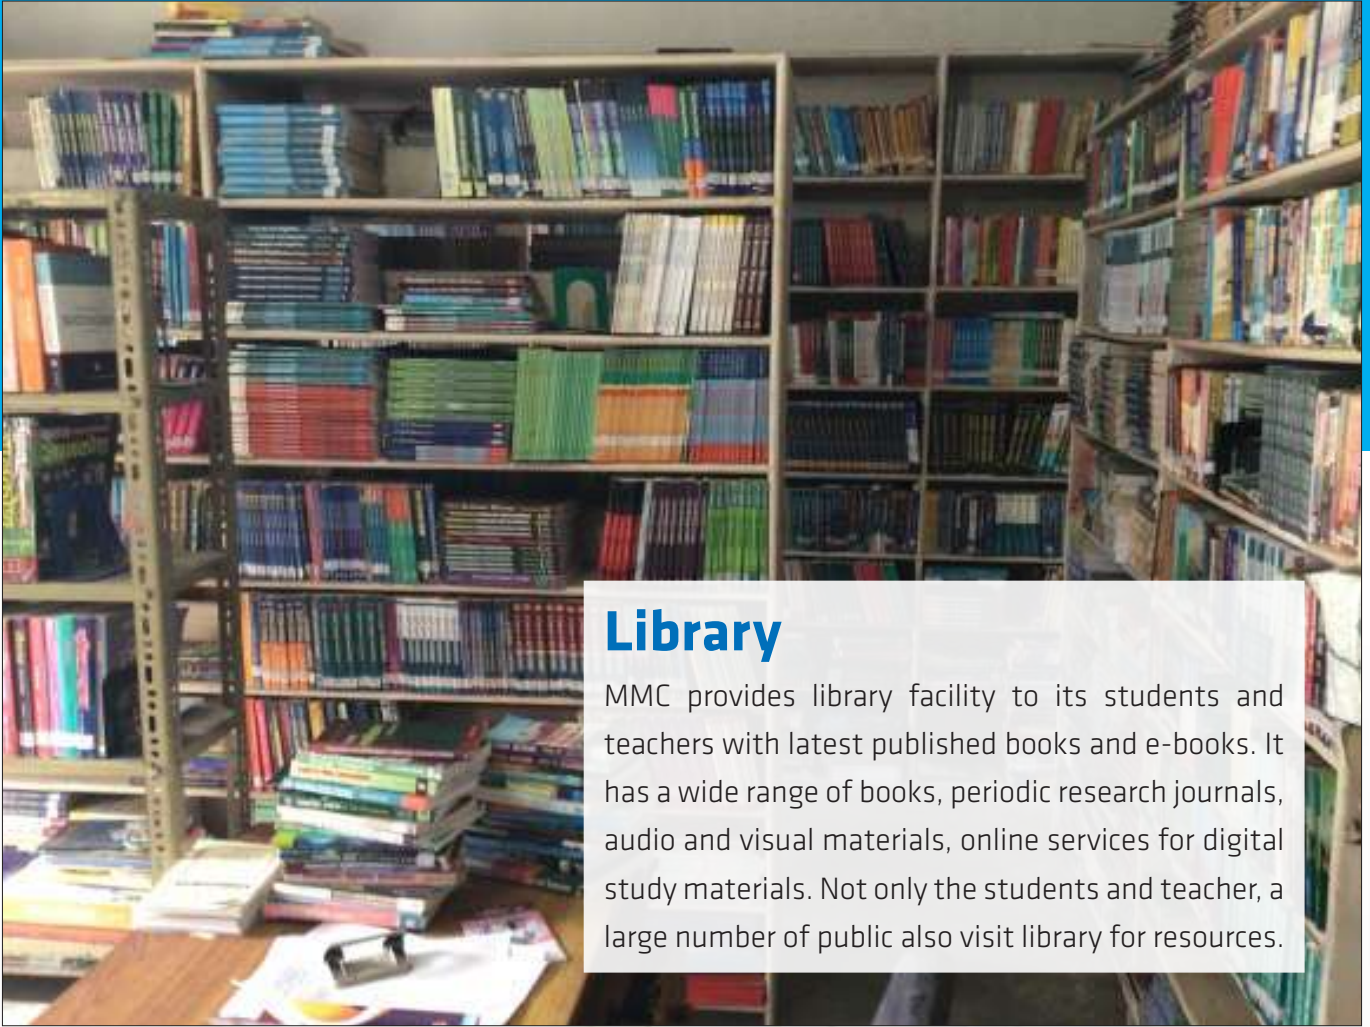

MMC offers scholarship to a large number of students every year. Roughly 20% students receive scholarship and fee waiver from the resources of the campus, donation from fixed deposit fund and scholarship program of UGC. The following fixed deposit fund regularly supports the students for scholarship:

- Girija Prasad Koirala Memorial Fund
- Tilak Bahadur Poudel Fixed Deposit Fund
- Captain Mohan Bahadur Poudel Memorial Fund

Sports and Social Events

MMC encourages students to participate in various extracurricular activities including sports and social events. Students participate in various inter faculty/ class sport events like volleyball, basketball, and badminton. Similarly, Quiz contest, essay writing competition, poem recitation, etc. In addition, we organize various social activities like blood donation, cultural program, etc.

Library

MMC provides library facility to its students and teachers with latest published books and e-books. It has a wide range of books, periodic research journals, audio and visual materials, online services for digital study materials. Not only the students and teacher, a large number of public also visit library for resources.

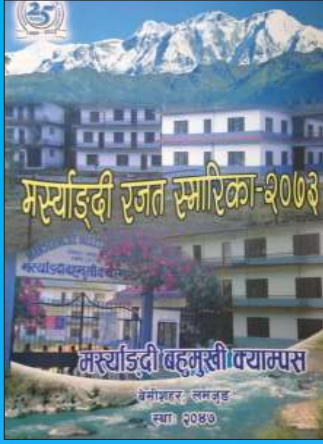

Computer Lab

Students at MMC can learn computer skills in the computer lab. The lab is technically well-equipped with latest model of the computer and networking facilities, internet access for online education throughout the day.

Research and Publication

The Research Management Cell (RMC) provides research and consultancy service. It conducts research report writing workshops, thesis writing workshops, trainings and seminars on academic writing and research methodology, and publishes journal every year. It also encourages and facilitates the students in report preparation of field visit, case studies and the way to present their report using various ICT tools.
