## Notice

### Call for Mini Research Proposal

Research Management Cell (RMC) of Marsyangdi Multiple Campus invites application with a research proposal from the teaching and non-teaching staff of the campus to conduct mini research for this academic year. Collaborative proposals are highly encouraged and recommended. Students of thesis year can also be the member of the research team.

The deadline to submit proposal is 20/10/2021. Proposal received after the deadline will not be accepted. The proposal will be selected based on a brief presentation, the issue and its organization. The suitable proposals will be recommended for financial support.

For further information, please contact RMC office of MMC.

### General Guidelines for proposal

The research proposal should be a clear, concise, and well-structured, and should communicate the purpose of the study with specific methodology. It should comprise the following components:

**Background**

**Problem statement**

**Research Questions**

**Objectives**

**Research Hypotheses (if relevant)**

**Literature review**

**Data and Methods**

**Significance**

**Limitations**

**Budget estimate**

**Time frame**
